

Scenario 1

Hannah went to meet Marty to go to the cinema. She had been waiting to see the film for months. She was excited. Marty met her and said, "The lads are going to play pool tonight so I can't go to the cinema - ok, I'll see you tomorrow as planned". He kissed her on the cheek and left...

In your group discuss and record answers to give feedback to the whole group:

1. Was it ok for Marty to do this? Yes or no – why?
2. What could Marty have said to show her that he did care about her?
3. What should Hannah do now? Give your reasons.
4. What are the positive and negative qualities within this relationship? Give your reasons.

Scenario 2

Katy and Jontie have been going out together for 8 months. Katy wants to have sex without using a condom because she wants to have Jontie's baby. Jontie said, "No, the last thing I want is a baby". Katy said, "Then if you don't want a baby, we are finished!"

In your group discuss and record answers to give feedback to the whole group:

1. Was it ok for Katy to suggest having sex without using a condom?
2. What should Katy have said?
3. What should Jontie do now?
4. What are the positive and negative qualities within this relationship? Give your reasons.

Scenario 3

Jake said, "I want to have sex with you now". Carla said, "I don't want to because we haven't got a condom". Jake said, "Don't worry about getting pregnant; I will pull out before I cum". Carla said, "OK... but be careful".

In your group discuss and record answers to give feedback to the whole group:

1. Was Jake right to expect Carla to have sex when she was clearly worried about getting pregnant? Yes or no – why?
2. Was Carla right to say yes to Jake when she was worried?
3. Do you think that either of them will enjoy the sex? Who and why?
4. What are the positive and negative qualities within this relationship? Give your reasons.

Scenario 4

Jatinder asked Jamal if he loved her. He said, "Yes of course I do". She said, "Why don't we have sex?" He said, "Because I want us to wait until we are married". She said, "Well I don't want to wait, all my friends are doing it, they're laughing at me cus they think I'm frigid. If you really loved me, we would be doing it!" Jamal put his arms around her and said, "But I do love you".

In your group discuss and record answers to give feedback to the whole group:

1. Was Jatinder right to think that Jamal didn't love her because they were not having sex?
2. Why did she want to have sex with Jamal? Was this a good reason?
3. What else could Jamal have said to Jatinder to reassure her?
4. What are the positive and negative qualities within this relationship? Give your reasons.

Scenario 5

Joel and Justin have been partners for 11 months. When they had sex, they never used condoms. Joel heard from a friend that Justin had a one night stand with another man. He was very angry with Justin.

In your group discuss and record answers to give feedback to the whole group:

1. Why do you think that Joel was angry? What was he worried about.
2. What should Joel do? Give your reasons.
3. What should Justin have done? Give your reasons.
4. What are the positive and negative qualities within this relationship? Give your reasons.

Scenario 7

Beckie and Kerry have been partners for 17 months. They had sex regularly. Beckie heard from a friend that Kerry had a one night stand with another woman, she was very angry about this.

In your group discuss and record answers to give feedback to the whole group:

1. Why do you think Beckie was angry? What was she worried about.
2. What should Beckie do? Give your reasons.
3. What should Debbie have done? Give your reasons
4. What are the positive and negative qualities within this relationship? Give your reasons.

Scenario 8

Tom and Maddi had been partners for 14 months. They had sex regularly. Tom heard from a friend that Maddi had a one night stand with another man, he was very angry about this.

In your group discuss and record answers to give feedback to the whole group:

1. Why do you think Tom was angry? What was he worried about.
2. What should Maddi do? Give your reasons.
3. What should Tom have done? Give your reasons
4. What are the positive and negative qualities within this relationship? Give your reasons.
