We are in a relationship?

They're drunk/on drugs

They are under 16 but want to have
sex

They are unconscious

They have been flirting with me?

They're wearing a revealing outfit?

I asked them and they said 'no', but
after I persisted they said 'yes'

They've not said 'NO' out loud?

We're already kissing?

They said 'yes' then changed their mind halfway through?

They said yes after I asked to kiss them

We started kissing then she wanted to take it further, we are both 17?

They wanted to wait but now they
said they are ready
